SOUTHERN CARIBBEAN

WILD & WONDERFUL

In the south, discover some of the Caribbean's most lush landscapes — with rainforests, waterfalls and rare wildlife like flamingos and Jacquot parrots.

DISCOVER YOUR FAVORITE PLACE IN THE CARIBBEAN

What could be more enticing than sitting poolside with a tropical cocktail on the deck of a Princess® ship, sailing to the white sand beaches and swaying palm trees of one postcard-perfect Caribbean isle after another. With a variety of itineraries, and three diverse regions to choose from, there's something for every personality and activity level — whether you choose to go snorkeling through a tropical reef, diving, sailing or simply staying on a beach and relaxing.

SOUTHERN CARIBBEAN

The Southern Caribbean stretches from the lush paradise of Dominica to the remote isles of Aruba, Curaçao and Bonaire. With a deeper dive into the Caribbean, you can immerse yourself in traditional Caribbean culture and life, on islands pairing colonial influence with native charms. See pages 4 and 5.

EASTERN CARIBBEAN

The laid-back Eastern Caribbean is home to many of the region's most popular islands — gems like St. Thomas, St. Maarten and Antigua. Known for world famous beaches, stingrays and shopping, this is the perfect option for a sunny family vacation reconnecting with loved ones. See pages 6 and 7.

WESTERN CARIBBEAN

Unique destinations await in the Western Caribbean, where you'll find Mayan ruins and eco-adventures in southern Mexico, gorgeous beaches and snorkeling in the Island of Roatán and friendly spirit of Jamaica, among others. See pages 8 and 9.

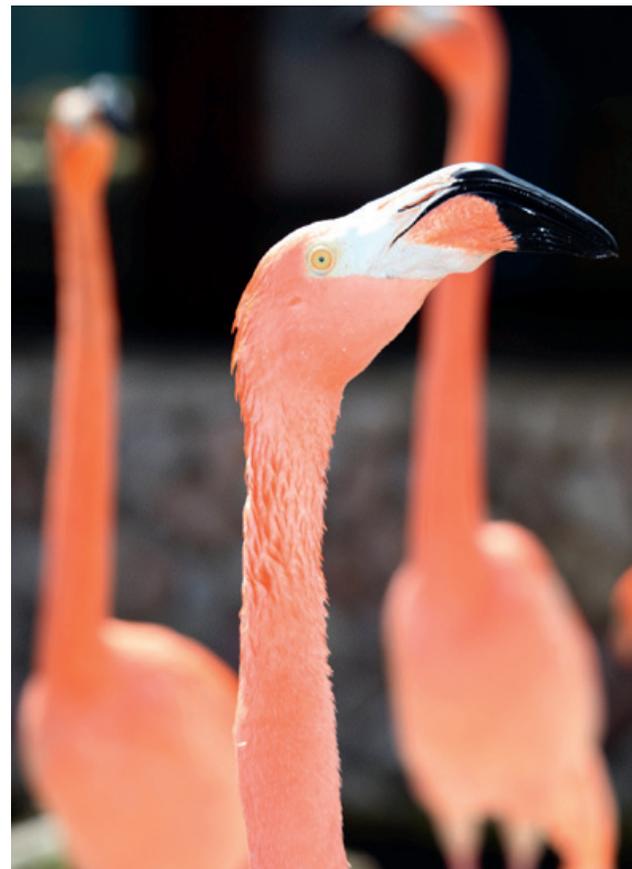

SAIL FOR THE CARIBBEAN'S SOUTH

The Southern Caribbean awaits with some of the region's most appealing ports of call — charming towns boasting Old World influences, palm-lined shores and forested mountains, turquoise waters filled with coral reefs and tropical fish, and of course, the pristine beaches for which the Caribbean is famous.

Curaçao

The colorful Dutch-influenced waterfront of Curaçao's capital, Willemstad, is one of the Caribbean's most recognizable landmarks and a UNESCO World Heritage Site. The isle is also known for its arid climate and excellent beaches.

Bonaire

The Dutch isle of Bonaire is one of the Caribbean's best diving and snorkeling spots, and is also home to the iconic pink flamingo, which you can see on a Princess excursion.

Barbados

Besides her English cultural charms and breathtaking beaches, the island's African influences make for fascinating music, dance and cuisine.

EASTERN CARIBBEAN AWAITS YOU

Life in the Eastern Caribbean is good — warm trade winds blowing through the palms, shimmering pale-blue seas inviting watersports or simply lingering on warm white sands. And in islands like St. Thomas — the gateway to Trunk Bay and Antigua, you'll find friendly locals and a colorful culture.

St. Kitts

Dense rainforests, dramatic jagged peaks and fields of sugarcane make St. Kitts one of the Caribbean's most picturesque isles. But it's also remarkable for historic landmarks like Brimstone Hill Fortress — a UNESCO World Heritage Site.

Trunk Bay

One of Princess and *Condé Nast Traveler's* 7 Cruise Wonders of the World, St. John's Trunk Bay is a place of staggering beauty. From St. Thomas, you can set out for this majestic inlet of clear turquoise water, lush jungle and white-sand beaches often cited as the best in the world.

Princess Cays®

How will you spend a day on our own tropical island paradise? Options for your pleasure include paddle wheelers, kayaks, banana boats, a local craft market and a complimentary beach barbecue.

Antigua

Antigua pairs trademark Caribbean sun, sea and sand with attractions including historic Nelson's Dockyard, old stone sugar mills and the galleries and cafes of the capital, St. John's.

Wheelchair-accessible rooms

Princess offers a selection of staterooms that provide full wheelchair-turning space. In addition, these staterooms include a roll-in shower equipped with grab bars and a fold-down bench seat, an easy access closet and a writing desk with wheelchair access. Cabins range from approximately 237 to 624 square feet based on stateroom category. Visit princess.com for more details.

Note: Floor plans, amenities and stateroom diagrams represent typical arrangements and may vary by ship. Certain stateroom categories may vary in size and configuration by ship. Square footage varies based on stateroom category and deck location. Stateroom views are considered unobstructed unless noted otherwise. Obstructions do not include certain nautical items like handrails, dividers or ship hardware. For balcony staterooms, the view is determined from the perspective of the balcony railing. Balconies may have either solid steel or glass railings. Some categories have portholes versus picture windows. Some staterooms are partially to fully obstructed, as shown on deck plans. Upper berth and bed ladder capacities are 250 lbs. Staterooms that can accommodate rollaways have two lower berths and one upper berth, and the staterooms can accommodate a fourth berth as a rollaway bed upon request at time of reservation. There are a limited number of rollaway beds per ship, per voyage. Use of rollaway beds restricts cabin space. Call 1.800.774.6237 for more information.
